Red Hat Knitters

Come and join the **Red Hat Knitters** between 11.30 and 1pm on Saturday 7th May (and every Saturday morning until 29th October).

We will be knitting diver's traditional red woolly hats to be sold in the shop. Please note that wearing the Standard diving helmet whilst knitting is not obligatory. We supply the materials, tea/coffee and biscuits.

We will also be working on a new group project - making Fiddle Mitts! Our very own Kevin at the museum and until recently a North Sea Saturation Diver is quoted as saying "It would have been just the thing to have while waiting under saturation in the diving bell, worrying about the safety of the other divers". True!

If you have any spare balls of yarn - any amount, colour, texture or ply - please either drop it off at the Diving Museum or contact Hunny tel: 079 4425 5182

... and now an **Early Reminder** for something really different! If you are into CSI etc. this is definitely for you.

Underwater Forensic Search and Recovery - talk

Book early for our talk on Saturday 4th June at 7pm, given by a specialist underwater and confined space forensic expert Peter Faulding. Discover the extraordinary world of collecting evidence underwater. Booking and payment via the Historical Diving Society website. www.thehds.com shop and events. **£6 includes refreshments**

Also a reminder for Artists!

The deadline to enter the **Underwater** exhibition is Saturday 4th June. Contact museumdevelopment@thehds.com for details.
